INFORMATION DISCLOSURE STATEMENT

As means for complying with the duty of disclosure which is set forth in 37 C.F.R. §1.56, applicant submits this Information Disclosure Statement, disclosing information that may be material to the examination of the application. However, pursuant to 37 C.F.R. §1.97(h), the submission of this statement should not be construed as an admission that the information is, or is considered to be, material to patentability. Attached are:

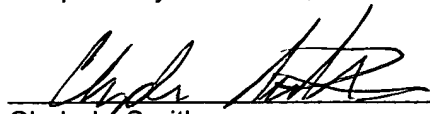

(1) A listing of patents, publications, or other information on the attached PTO Form 1449 (modified);

(2) A copy of: (i) each listed patent; (ii) each publication or that portion which caused it to be listed; and (iii) all other information or that portion of the information which caused it to be listed.

In accordance with 37 C.F.R. §1.98(a)(3), the relevance of each patent, publication, or other information listed that is not in the English language, as presently understood, is set forth in the drawings of such patents, in the attached English abstract of such patents, and/or has been summarized in English and attached to such, patents, publications, or other information.

Respectfully submitted,

Clyde L. Smith
